

THE ANGLICAN COMMUNITY DAY PROGRAMS

APRIL 30, 2020

Dear Friend,

COVID-19 has turned how we work upside down!

The people we serve are some of the hardest hit by this pandemic and more people are looking to us for support. We are responding with delivery of food, personal care items and engaging those we serve with a safe place to share their hardship and concerns.

To rise to the challenging needs, we have adapted how we work by combining the efforts of our **St. Luke's Table**, **The Well** and **Centre 454**, day programs. We are determined to do so for as long as necessary!

Our new outreach has significantly increased costs, such as the use of individual bags, packaging, single serving portions and **van rentals** to accommodate a reduced reliance on volunteers.

We have rented two vans and are actively delivering daily packages, where we know there are people who need it in the community.

We are concerned about how to cover the increased costs related to supporting the vulnerable in our community.

We know many of you are looking for meaningful ways to help our community when it needs it the most.

Please consider supporting this COVID-19 Special Appeal with a donation online to: [St. Luke's Table](#) or [The Well](#) or [Centre 454](#) or by mailing a cheque referencing **COVID-19 Special Appeal**.

We would appreciate your help in making others aware of our **urgent need** by sharing this email with friends, family and colleagues or sharing our appeal on social media platforms.

Thank you!
